

The Quester

**Fairfield Grace United
Methodist Church**

February, 2017

A Message from Pastor Cho:

To my sisters and brothers in Christ Jesus,

Following several people's requests, I have decided to use a message that I delivered on Sunday, January 9 as my Pastoral Letter for this issue of the Quester. Below are excerpts from that sermon.

"Teach us how to pray"

Jesus shows us by His example that prayer is important. Jesus prayed in the early morning (Mark 1:32-37) and also prayed all night long on the mountain (Luke 6:12-17). He was a man of prayer. Jesus spent all day and all night to heal the sick and the demon-possessed. He took time with God alone early in the morning and, then, carried out his ministry and mission when the sun rose. Jesus chose the 12 disciples after spending all night long praying on the mountain. He prayed before making an important decision. For Jesus, there was a time to pray and a time to work. There was a time to be alone with God and a time to spend with people. This is what we need to learn from Jesus. There must be a balance between praying and working in our mission and ministry. Praying only, without serving others, or serving others without praying can be self-satisfying and hypocritical.

Jesus said, "When you pray, don't be like the hypocrites who love to pray publicly on street corners and in the synagogues where everyone can see them..... When you pray, don't babble on and on as people of other religions do. They think their prayers are answered merely by repeating their words again and again." (Matthew 6:5 & 7) In other words, Jesus said prayer time is not show time and prayer time is not just mindless babbling. No praying without thinking, please.

In between these two statements, Jesus told the disciples that prayer is a private conversation with God. Jesus said, "But when you pray, go away by yourself, shut the door behind you, and pray to your Father in private." (Matthew 6:6) Jesus isn't saying that we can only pray in private. The Bible teaches us to pray with one another and to pray when we come together in worship. However, Jesus also emphasizes the importance of an ongoing private conversation with God.

Jesus gave us three rules for prayer. First, Jesus said to just do it. Pray. Talk with God, the Father, who cares for and loves you and wants to help you. Second, remove the distractions when you are talking with God. Pursue stillness. Look for a quiet place with no TV, no cell phone and no distractions. Third, practice simplicity. Don't make prayer more complicated than it has to be. Prayer is simply talking with God. So, talk with God like you would talk with one of your dear friends.

Prayer is a time to be alone with God. It is a time to be honest with God. It is a time to listen to God. It is an ongoing intimate conversation with God. Prayer is not a performance. It is a request for God's help to navigate through life. God doesn't promise that He is going to change the circumstance of our lives. He does promise that He will see us through the tough circumstances of life. Who wants to miss this precious and wonderful time to pray?

The old hymn "**In the Garden**" comes anew as our joyful faith expression.

1. I come to the garden alone, While the dew is still on the roses,
And the voice I hear falling on my ear. The Son of God discloses.
2. He speaks, and the sound of His voice Is so sweet the birds hush their singing, And the melody that He gave to me , Within my heart is ringing.
3. I'd stay in the garden with Him, Though the night around me be falling,
But He bids me go; through the voice of woe, His voice to me is calling.

Refrain:

And He walks with me, and He talks with me, And He tells me I am His own;
And the joy we share as we tarry there, None other has ever known.

See you soon at church.

Kun Sam, your M&M partner

Is it a cold or flu?

Fever, headache, fatigue and weakness, stuffy nose, sneezing, chest congestion are common with the flu which tends to come on suddenly. A cold can have mild aches and pains, usually a stuffy nose, sore throat, cough. A cold lasts seven days if treated with decongestants, etc. and a week if left alone.

A tummy bug is making the rounds which is not to be confused with flu. It is the Noro virus. Hand washing is extremely important with all the above. Hand sanitizer is okay with flu and a cold but not effective with the tummy bug. Soap and water are the best ways to assure germ control. Wash hands as soon as entering the house and several times during the day, especially when handling mail, newspaper, magazine, etc. And if you don't feel good, stay home, it may prevent those around you from getting sick.

Maybe you have heard about this program called SCRIPPS that Martha Wood has been promoting - but aren't sure how you can participate?

Martha Wood is at church after the Services to explain the program, how easy it is, answer any questions you may have and get you started!

Here is how it works:

You fill out a form to request gift card(s), Martha will have these forms available for you after the Service on Sunday. You choose the retailer and the amount of the gift card. You give Martha a check with the form for the exact amount of gift cards you are buying, nothing extra. If you fill it out Sunday, you will have the gift cards in your hand by the next Sunday. That is all you need to do.

This list of retailers from which you can choose is 3 pages long! Martha will have copies of the list....there is a list on the hallway bulletin board....stop by the office and pick up a list, as well.

We are hoping that church members will use this opportunity to make their gifts really count this season. You can support your church financially and not have to spend anything extra. Please, give it a try!
